

**nutrimetics** are a unique collection of naturally enriched hypo-allergenic products formulated from plants, fruits and herbs to suit even the most sensitive of skins.

We are proud to promote that nutrimetics have never commissioned or supported animal testing.

### How can you buy?

**nutrimetics** products are not available in stores therefore every purchase comes with the confidence that you have a beauty specialist on call.

The most enjoyable way to purchase these products is via a Pamper Event in the privacy of your own home with 4-6 of your friends.

As a host/hostess you can also earn amazing free products.

### Our promise to you

To avoid expensive mistakes

Every product in the Skincare range comes with a 30 day money back guarantee.
